Peter A. DiPrima Jr. EMTP, Scott S. Coyne MD : McGraw Hill's Paramedic Flashcards before purchasing it in order to gauge whether or not it would be worth my time, and all praised McGraw Hill's Paramedic Flashcards:

0 of 0 people found the following review helpful. Pass your certification exam! By Doctor Disney Fan My daughter is in EMT training and this helped her pass her certification exam! 0 of 0 people found the following review helpful. Useful By Lad87nek The only thing I don't like about these is they aren't flashcard format for the most part. Some of the cards are completely filled with small print of information. That's not a flashcard. But it's a useful study tool either way 0 of 0 people found the following review helpful. Two Stars By Chubythunder Buy the review book.

High-yield flashcards cover must-know information for the Paramedic certification exam McGraw-Hill's Paramedic Flashcards offer a succinct, comprehensive, and easy to carry review of the must-know concepts that students need to remember for their certification exam. Cards cover high-yield content for the certification exam. Succinct questions on the front of the card test students on important concepts Answers on the back of the card are explained with text, lists, tables and/or images Cards include tips and mnemonics to enhance memory
