Susan B Promes MD FACEP : McGraw-Hill Specialty Board Review Tintinalli's Emergency Medicine Examination and Board Review 7th edition before purchasing it in order to gage whether or not it would be worth my time, and all praised McGraw-Hill Specialty Board Review Tintinalli's Emergency Medicine Examination and Board Review 7th edition:

0 of 0 people found the following review helpful. Picture quality is terrible. It is a good general review but there ...By CustomerThe editing of this book is atrocious. I found many mistakes and contradictory answers. Picture quality is terrible. It is a good general review but there may be something better out there for this price!0 of 0 people found the following review helpful. Good questions, poor pictures.By Moi AussiGood questions, but the illustrations are poor.0 of 0 people found the following review helpful. Four StarsBy DHHelpful

A case-based emergency medicine review co-published with the American College of Emergency Physicians More than 800+ case based QA make this the book you need to pass the exam!
