From Nova Science Publishers : Medicaid, Children's Health Insurance, and the Patient Protection and Affordable Care ACT (Health Care Issues, Costs and Access) before purchasing it in order to gage whether or not it would be worth my time, and all praised Medicaid, Children's Health Insurance, and the Patient Protection and

Affordable Care ACT (Health Care Issues, Costs and Access):

The Health Care Reform Law makes many significant changes to the private and public markets for health insurance, as well as modifications to aspects of the publicly financed health care delivery system. This book details some of the major changes to the Medicaid and CHIP programs and provides a timeline of effective dates for these provisions.
