Coughlin : MEDICAID SINCE 1980 before purchasing it in order to gage whether or not it would be worth my time, and all praised MEDICAID SINCE 1980:

This volume analyses the evolution of the US Medicaid programme with special emphasis on the 1988-92 period. Recent years have witnessed huge growth in the importance and visibility of this scheme which provides health care

for the poor, and has been at the forefront of issues such as AIDS.
