LearningExpress Editors : Medical Assistant Exam: Preparation for the CMA and RMA Exams (Medical Assistant: Preparation for the CMA Rma Exams) before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Assistant Exam: Preparation for the CMA and RMA Exams (Medical Assistant: Preparation for the CMA Rma Exams):

Medical Assistant: CMA and RMA Test Prep is a preparation manual that targets individuals who have experience and interest in medical assisting and a desire to become certified. Many candidates for the CMA RMA exams may

currently be enrolled in vocational-technical high schools, postsecondary vocational schools, or community and junior colleges. This informative and engaging preparatory guide offers potential medical assistants information pertaining to what it is like to be a medical assistant, general medical knowledge, administrative procedures, and clinical procedures. Such information not only allows potential medical assistants to grasp an understanding of essential protocols, but it also serves as a key reminder to the significant roles that these professionals play. Inside *Medical Assistant: CMA and RMA Test Prep* readers will find: LearningExpress Test Preparation System In-depth, targeted review of the exam 2 full-length practice exams, each with 200 questions to reflect the actual format of the RMA and CMA exams (3 content categories) Helpful glossary For additional practice, this manual also offers an online, full length practice exam that is modeled after the CMA exam. With countless practice questions available both in the book and online as well as informative material, it is near impossible for learners to feel unprepared for the exam. As the term suggests, a medical assistant's key role is to provide help or support to those in need of a helping hand. Far more than simply giving readers the information they need to know while taking the exam, *Medical Assistant: CMA and RMA Test Prep* allows potential medical assistants to understand how vital their role is in the grand scheme of the medical environment. When people begin to appreciate the role that they have the chance to perform, they welcome an unspoken confidence that can help they approach the exam with ease. *Medical Assistant: CMA and RMA Test Prep* helps turn people into scholars, learners of information into lovers of life, and ordinary citizens into helping hands of the world in the form of medical assistants. This resourceful book packed with informative material can help turn peoples dreams into realities, while instilling in them a love for learning and a better comprehension of what it means to be an assistant in the medical realm.
