The tests at the end of the chapters are very helpful.30 of 30 people found the following review helpful. I thoroughly enjoy using this book to help me prepare for my ...By CustomerI thoroughly enjoy using this book to help me prepare for my certification exam. However, there are a few questions in

the book that have the wrong answer labeled. This concerns me for future students who think their answers are correct, when in reality the book is incorrect. The next time it is published it needs to be checked and checked again so it does not lead the students down the wrong path. 0 of 0 people found the following review helpful. Great study book I recommend it  
By Semperfit I am so convinced that this book will help me pass my boards exam! It has a small pre test that helps you determine what is it you need to study the most! Great study book I recommend it!!
