Laverne Dreizen, Thelma Audet : Medical Assistant: Examination Review (4th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Assistant: Examination Review (4th

Edition):

This fourth, revised edition of Medical Assistant Examination Review is designed for students preparing for the national certification examination (CMA) conducted by the American Association of Medical Assistants (AAMA). The book is organized in a manner similar to the format of the actual examination to help students determine areas of strength and weakness to meet with success on examination. It will also challenge the knowledge of the experienced medical assistant established in the field.
