**Patricia Hurlbut : Medical Assistant: Program Review and Exam Preparation** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Assistant: Program Review and Exam Preparation:

2 of 2 people found the following review helpful. Medical bookBy Yard Sale QueenVery good price on this item. Was as described and very useful. Easy to find and availability good. Very useful product with prompt delivery coming well packaged in good time.0 of 0 people found the following review helpful. Great BookBy Ashley RBook was exactly what I was looking for. It has the AAMA guidelines that I am learning in school and great to help to study for my certifications after school0 of 0 people found the following review helpful. Wonderful book for studyBy Deloris LanhamVery good information. And prepares you well for getting ready for your certification. Good value and up to date clinical info

This new book in the Appleton Lange PREP series serves as an excellent review for the medical assistant program as well as a preparatory tool for the actual medical assistant exam. Presented in expanded outline summary format, this book reflects the AAMA exam content outline. Key terms appear in every chapter with summary boxes highlighting key information. Medical assistant students.
