The right fit for you!By Lindsey AlarconIf you are looking for a comprehensive review for becoming a medical assistant, than this test prep is the ticket. It was over a thousand questions and four practice tests to give you a well-rounded review for the exam. Not only is it comprehensive, but it is also well organized, allowing you to find areas of need as they pertain to your studies.

Medical Assistant Test Preparation is a bank of 1000 questions chosen from all the areas of the medical assistant training program. It is divided into four sections consisting of 250 questions each. Test two is focused on introduction to medical assisting. Test one, three and four strive to cover all the topics in the program.
