**Geri Kale-Smith : Medical Assisting Made Incredibly Easy: Administrative Competencies** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Assisting Made Incredibly Easy: Administrative Competencies:

0 of 0 people found the following review helpful. GoodBy Leslie A.The book was in condition as promised, it was actually in better condition than i expected. The only thing i didnt like was that there was no expedite shipping option(i am new to ) so i didnt catch that untill after i bought it.

Part of the new Medical Assisting Made Incredibly Easy series, this text presents the core administrative skills needed by medical assistants in a light-hearted, humorous, readable, extremely practical style that makes teaching and learning fun. A host character guides students through all the administrative skills needed to pass certification exams required

by CAAHEP and ABHES. Boxes with eye-catching icons provide practical advice about legal concerns, workplace scenarios, professionalism, and study skills. More than 300 full-color illustrations enhance visual learning. A Study Guide and an online course are available as additional purchases. A free Instructor's Resource CD-ROM including PowerPoint slides and lecture notes is available from Lippincott Williams Wilkins to instructors who adopt the text.
