**Diane Essex-Sorl : Medical Biostatistics Epidemiology Examination Board Review** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Biostatistics Epidemiology Examination Board Review:

This is the ideal resource to review biostatistics and epidemiology for the USMLE Steps 1 and 2. Each chapter presents a case study, an explanation of the material and ends with a summary and review questions.

About the Author Diane Essex-Sorlie, PhD (University of Illinois College of Medicine, Urbana-Champaign)
