Lynette Olsen : Medical Coding Specialist's Exam Review: Hospital before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Coding Specialist's Exam Review: Hospital:

0 of 0 people found the following review helpful. Five StarsBy Aliner - Scout - Arizona Livin'As described.0 of 0 people found the following review helpful. great shape!!By Trahlita WelchI just want to say, i order this book knowing it was used ect. and even the description in the box with the book said dirty/worn ...but i looked at the book, it has the CD still in package, no markings, looks brand new! not dirty at all! It really looks like it has not even been used! thanks so much for a great deal!0 of 0 people found the following review helpful. Three StarsBy Cheryl Jennings BellBetter than expected. Wished CD had come with it. Shipping should had been free.

National coding exams are challenging and require intensive study. Medical Coding Specialist's Exam Review Hospital provides direction and valuable information to successfully pass the exams. This resource includes time-

tested concepts developed over many years of working with coders who have passed the exam. This is the only book that covers both AHIMA's and AAPC's hospital-based coding examinations!

1 Introduction, 2 Importance Of Being A Coder, 3 Preparing For The Exam, 4 Taking The Exam, 5 After The Exam, 6 ICD-9 Coding, 7 Cpt Coding, 8 E/M Coding, 9 Hcpcs, 10 ICD-9 Procedural Codes, 11 Reimbursement, Mock Exams For Cpc-H And Ccs

About the Author
Lynette Olsen has been the Medical Instructor/Program Manager at Pima Community College in Tucson, Arizona for more than twelve years. She is a certified professional coder and a current member of both the American Academy of Professional Coders (AAPC) and the American Health Information Management Association (AHIMA). She has a Doctorate Degree in Higher Education and a Masters Degree in Public Administration. Ms. Olsen has developed her own online highly comprehensive coding and test prep courses, as well as extensive curriculum for health administration courses at Pima College.
