Please Note: Doctor literally means Teacher.By Michael SudanKeki Sidhwa's expose' on the Overwhelmingly contradictory practices and Structures of the "Legal" Drug cartel at home and abroad is very convincing and thought provoking. This book is very rare and a Must have for anyone familiar with Doctor Herbert M. Shelton's profound contributions, Natural Hygiene or for any and all Truth-Health seekers.0 of 0 people found the following review helpful. Must ReadBy Ernie OdomA well written book especially for people who like to brag about their doctors.
