Vivian Tenorio : Medical History: Personal Records Journal before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical History: Personal Records Journal:

Your medical history journal will allow you to keep track of your medical records all in one place. It is sectioned into different areas so that you are organized. Sections for personal data, spouse's data, children's data, emergency

information, insurance information (health life), dental care, eye care, family medical history (mother, father, grandparents siblings), vaccination records, laboratory results, height, weight, ENT records, symptoms, x-ray info, questions for doctors visits. This medical history journal is great for mothers, fathers, patients and caregivers.
