Now in its Seventh Edition and in vivid full-color, this groundbreaking book continues to champion the Have a Care approach, while also providing readers with a strong ethical and legal foundation that enables them to better serve their clients. The book addresses all major issues facing healthcare professionals today, including legal concerns, important ethical issues, and the emerging area of bioethics. Videos online at DavisPlus bring these challenges to life through short vignettes that feature scenarios of common legal and ethical issues in a medical office.
