Talmadge E. King Jr, Margaret B. Wheeler, Andrew B. Bindman, Alicia Fernandez, Kevin Grumbach, Dean Schillinger, Teresa J. Villela : Medical Management of Vulnerable and Underserved Patients: Principles, Practice and Populations before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Management of Vulnerable and Underserved Patients: Principles, Practice and Populations:

The leading reference and text on caring for underserved patients and those with highly unique health requirements

updated and expanded in full color

Medical Management of Vulnerable and Underserved Patients: Principles, Practice and Populations, Second Edition is designed to clarify current issues and instruct you in best practices and compliance with legislation, such as the Affordable Care Act, when caring for patients living with chronic diseases in poor and minority populations. How do these laws affect you, your practice, and patient care?

Medical Management of Vulnerable and Underserved Patients is ideally suited for clinical and educational programs and policy-oriented institutions concerned with addressing health disparities and caring for the underserved and vulnerable patient. Comprehensive in scope and authored by many of the leading names in the field, the book takes complex concepts and issues and helps you understand them, resulting in a roadmap to guide real-world applications and compliance with the terms of the law. Each chapter integrates key concepts, core competencies, and common pitfalls and concludes with useful lists of web resources and stimulating discussion questions.

Highlights of the Second Edition:

- Fully revised to reflect passage and impact of the Affordable Care Act on care of underserved patients
- Expanded with major new chapters, from Health Quality to Rural Healthcare, and additional content relevant to nursing
- Focused on evidence-based practice with a patient-centered approach
- Full color presentation
- Boxed main points and Practical Pearls, such as how to write a disability letter
