**Carol Ullmann : Medical Technology (Opposing Viewpoints)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Technology (Opposing Viewpoints):

Each title in the highly acclaimed Opposing Viewpoints series explores a specific issue by placing expert opinions in a unique pro/con format; the viewpoints are selected from a wide range of highly respected and often hard-to-find publications.; This title explores numerous aspects of medical technology, including if medical technology provides better patient outcomes; how medical technology affects health care costs; how electronic medical records impact patients; and the government's role in me; "Each volume in the Opposing Viewpoints Series could serve as a modelnot only providing access to a wide diversity of opinions, but also stimulating readers to do further research for group discussion and individual interest. Both shrill and moderate, th
