Marjorie Canfield Willis : Medical Terminology: A Programmed Learning Approach to the Language of Health Care 2nd (second) edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Terminology: A Programmed Learning Approach to the Language of Health Care 2nd (second) edition:

0 of 0 people found the following review helpful. Buy old, same infoBy Erik C. JacobsenBook came in excellent condition. CD and flash cards were attached to book. I buy older editions of science books bc this info doesn't change. Paying \$75 for a medical term. book is absurd.0 of 0 people found the following review helpful. Excellent book on the basics.By Tommye RodriguesThis book was great. Basic medical terminology. I am pleased with the purchase.0 of 0 people found the following review helpful. Five StarsBy Anne RosencransNo problems

Great book on medical terminology
