**Bruce Wingerd : Medical Terminology Complete with MyMedicalTerminologyLab plus Pearson eText - Access Card Package (3rd Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Medical Terminology Complete with MyMedicalTerminologyLab plus Pearson eText - Access Card Package (3rd Edition):

0 of 0 people found the following review helpful. Complete BundleBy Customer This is the exact book I needed for my medical terminology class. The book was in perfect condition. At first I was hesitant to buy because I didn't know of it included the code for the lab. This DOES INCLUDE THE CODE. And on top of that, you get an e copy of the text with the code. The pages are very thin and almost newspaper like. So be careful when turning the pages! Overall,

this is exactly what I needed for my class and it came a lot sooner than expected. 0 of 0 people found the following review helpful. By CustomerGreat book, easy to read and comprehend but it was not required for class. I still have it as I forgot to sell it back 0 of 0 people found the following review helpful. Awesome sauce By Daniel Gonzalez Showed up in a timely matter and was all I expected it to be.
