**Dale Layman Dr. : Medical Terminology Demystified** before purchasing it in order to gage whether or not it would be worth my time, and all praised Medical Terminology Demystified:

Theres no easier, faster, or more practical way to learn the really tough subjects Medical Terminology Demystified covers all the basic terms of disease and injury, abnormal anatomy and physiology, surgical techniques, drugs, and other therapies--in the context of real, practical health issues. This self-teaching guide comes complete with key points, background information, quizzes at the end of each chapter, and even a final exam.
